

Hello Parents and Campers,

It has been a very difficult few weeks here at Pleasantview, with many changes happening. Due to Covid-19 and the restrictions placed on us as a camp, it is with much regret that I am announcing that we are cancelling all regular summer camp programs for this summer. This decision was made with many factors in mind, and especially with the health & safety of our campers and staff at the forefront.

We had hoped that restrictions would have been lifted sooner, but because camps are in phase 4 of the reopen Saskatchewan plan, the reality is that this is not possible. We are considering some alternate camp activities that the campers can participate in from their homes. We will keep you posted.

We hope you continue to stand firm in your faith. We will miss seeing your faces but look forward to sharing all the new things we have in store for camp in 2021. Our plan is to run camps as usual next summer, so I would encourage you to apply in early January next year to reserve your spot.

Within the next weeks we will be reimbursing all registrations and tuck fees. Thank you for your patience as this process will take time.

Thank you for your support and understanding. If you have any further questions please don't hesitate to contact me. Till then we look forward to seeing you next summer.

Sincerely,

Kenton Giesbrecht,
Camp Director
